Day 1 & 2

Serengeti National Park

You won't find many better national parks in Africa than the Serengeti, which has few rivals when it comes to both the numbers and variety of animals. Track down the annual migration of wildebeest and zebra. Enjoy the vast horizons that are perfect for spotting predators (especially lions, leopards, cheetahs and spotted hyenas) and their prey (buffaloes, impalas and kongoni), as well as elephants and giraffes. If you're really lucky you'll see a hunt, one of the most exhilarating sights anywhere in the wild. And at every turn, revel in its beauty, with flat-topped acacia trees silhouetted against the setting sun, and so many other classic African safari images.

Activities Day 1

Morning

- Transfer by Road, **Arusha** to **Serengeti National Park**
- You'll enjoy the safari experience of a lifetime on your guided game drive through **Serengeti National Park**. A guide will help you look for big cats, elephants and more as you drive through so many classic safari landscapes.

Activities Day 2

- You'll be joining us in **Serengeti National Park** for a guided game drive. It's a fantastic opportunity to see some of the animals you came so far to see.

Afternoon

- The sundowner is one of our favorite times of the day. We'll take you to a beautiful spot in **Serengeti National Park** to serve you some drinks and watch the sunset together.

Meal Plan – Day 1 & 2

Embalakai Camp

Inside Serengeti National Park

Welcome to one of the best camps in the Serengeti, with gorgeous, wood-floored safari tents surrounded by savannah and close to the Nyabogati River. Embalakai Camp is deep in some of the park's busiest wildlife areas, but nicely removed from most other safari camps. Dine under the stars, listen to lions roaring in the night, and otherwise enjoy the classic safari scenery.

Day 1 & 2

Wildebeest crossing the Mara River

Serengeti National Park

Bush lunch

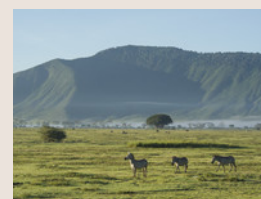

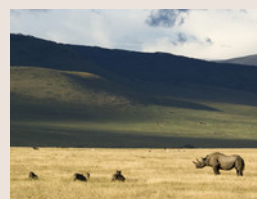

Sundowner

Day 3

Ngorongoro Crater

You'll learn why magical Ngorongoro is unlike anywhere else in Africa. Cloud forests encircle the crater rim, and the view out across the caldera of this former volcano – quite apart from the altitude – will leave you gasping for air. Your drive down a steep trail carries you onto the crater floor where a unique wildlife offering is added to the sheer beauty of the experience. You'll share the sunken ecosystem of the crater floor with hyenas, lions, elephants, black rhinos and hippos. An ecosystem that has formed in the crater in the millennia since the volcano wrought its terrible fury upon the land. It could just be one of your best safari days ever.

This is when your tour with us draws to a close. As we go our separate ways, we've no doubt that you leave us with new friends and with so many wonderful experiences that will live long in your memory. We also feel sure that you'll return to travel with us once again in the not-too-distant future.

Activity Day 3

- As we drive you to the next part of your safari, you'll be enjoying a game drive at the same time.
- You're in for one of the best safari experiences you can have on your guided game drive through **Ngorongoro Crater**. As you explore the crater floor, your guide will help you look for lions, black rhinos, spotted hyenas and so much more.
- We'll transfer you to the airport.

Meal Plan – Day 3

- Breakfast & Lunch
- Non-alcoholic drinks
- Drinking water
