Day 1

Arusha

Welcome to the start of your safari and welcome to Tanzania! You've chosen a fantastic place for your safari journey and we'll get you started with an introductory briefing before we head out to begin the trip you've been dreaming of.

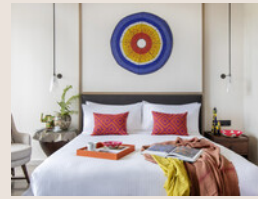

Busy Arusha is an essential part of safari life here in northern Tanzania and most travelers pass through at some stage. Whether you're on your way out on safari or here for a little longer, you'll catch a glimpse of streets filled with energy and color.

Accommodation | Day 1

Gran Melia Arusha

A convenient Arusha city center location is just the start at Gran Melia Arusha. Some of the rooms have fabulous views of shapely Mount Meru off in the distance, while the rooms themselves are excellent. There's an onsite restaurant, and the spa and wellness center is perfect for relaxing after a long day on the road.

Activity Day 1

- You will be transferred from the airport in **Kilimanjaro Airport**.
Transfer time; about 90 minutes

Meal Plan – Day 1

- Lunch & Dinner
- Drinking water
- Non-alcoholic drinks

Day 2

Tarangire National Park

If you've never been to Tarangire (and even if you have) you're in for a real treat. Tarangire is filled with giants – baobab trees all across the park, as well as elephants, lots of them. But that's just the beginning. Of the big cats, you'll probably see lions, and cheetahs and leopards are around, too. And it's impossible to miss the wildebeest, giraffes, hippos, buffaloes and zebras. Your backdrop for all of this is one of the prettiest in northern Tanzania, with a memorable mix of river woodland, open plains and rolling hills. And some vantage points to take it all in.

Accommodation | Day 2

Maramboi Tented Lodge

You'll stay close to the shore of Lake Manyara at Maramboi Tented Camp, northeast of Tarangire National Park. Enjoy wildlife excitement, big-sky views and high levels of luxury, all without straying beyond the camp's perimeter. It's a good place to fall in love with the whole safari experience all over again, and, not surprisingly, Maramboi gets many repeat visitors.

Day 3 & 4

Central Serengeti National Park

When people dream of the Serengeti, it's probably the Central Serengeti they're dreaming of. That's because you're in the perfect place to see all that the Serengeti has to offer, and this is the area of the park where wildlife is present in the biggest numbers. It's also filled with acacia trees and those Serengeti horizons that seem to go on forever.

Tanzania

Sundowner

Activity Day 3

- Come and see the best of **Central Serengeti National Park** as we take you out on a guided game drive. It really is a terrific way to feel a part of Africa with the wind in your hair as we drive you around to look for animals.

Meal Plan – Day 3

Day 3 & 4

Accommodation | Day 3 & 4

Kubu Kubu Tented Lodge

Inside Central Serengeti National Park

You never quite know what you're going to see from your safari tent here at solar-powered Kubu Kubu Tented Lodge. The beautifully appointed tents sit partly on stilts and on a rise overlooking the seemingly endless savanna of the central Serengeti where the park's wildlife graze and hunt. Relax in the swimming pool and watch for more animals while you eat dinner.

Activities Day 4

- You'll be joining us in **Central Serengeti National Park** for a guided game drive. It's a fantastic opportunity to see some of the animals you came so far to see.

- The sundowner is one of our favorite times of the day. We'll take you to a beautiful spot in **Central Serengeti National Park** to serve you some drinks and watch the sunset together.

- Breakfast, Lunch & Dinner
- Drinking water
- Non-alcoholic drinks
- Beer and wine

\$590.00 Per person, Book with us before trip

Day 5

Ngorongoro Crater

Today you'll visit Ngorongoro Crater, one of the most beautiful natural sights in Africa, a place where you'll experience otherworldly beauty with extraordinary wildlife. Watch as, from above, morning mist rolls up and over the crater rim, and notice how the steep walls suggest a place unlike any other. Down below on the crater floor, explore a lost world preserved in a state of pristine isolation, one that shelters lions and hyenas, elephants and black rhinos, flamingos and golden jackals. There are also forests, hippo-filled lakes, a salt pan and hyena dens, and you'll never lose the sense that you've stumbled into a safari theme park where everything's wild.

Walking safari, Ngorongoro Highlands

You'll never get tired of going on a walking safari, where you'll leave behind the vehicle and step out into the wild. It can be a little nerve-wracking at first, but you'll be walking with an experienced guide and it's very safe. It can be a real thrill walking in this way, and most people fall in love with the experience.

Accommodation | Day 5

Kitela Lodge

Found in a quiet location close to Karatu but away from the well-traveled road between Lake Manyara National Park and Ngorongoro is Kitela Lodge. It has large, stylish rooms that come in a combination of canvas and thatch, many with views. The rooms have mosquito nets and private bathrooms, and you can relax in the swimming pool and dining area.

Meal Plan – Day 5

- Breakfast, Lunch & Dinner
- Drinking water

Day 6

Lake Manyara National Park

Strung out in the shadow of the Rift Valley escarpment, that great fracture in the earth's surface that divides Africa in two, Lake Manyara is one of Tanzania's more unusual parks. Here you'll certainly see the elephants for which the park is famous, and, if you're really lucky, one of the park's equally well-known tree-climbing lions. There's also a lake filled with wading birds, plenty of olive baboons, and dense forests that make you feel that exciting animals could emerge from the trees at any moment. It's a wonderful chance to mark the transition between the lower plains and the Crater Highlands (with Ngorongoro Crater) away to the west.

Accommodation | Day 6

Kitela Lodge

Soak up the peace and quiet by staying another night at Kitela Lodge.

Zanzibar Island

When you arrive on Zanzibar Island, you know straightaway that this is a place like no other. This was an island made wealthy by its role in the spice trade, and the superb architecture and spice-filled markets are reminders of that time. Fine beaches and scenery are also found across the island.
